Book Week

I would like to thank parents for the effort taken to dress their children in a costume for book week and for the large number of you who came along to support our Book Week Assembly today. The children have been involved in a number of book-related activities throughout the week such as reading with buddies and teachers reading to different classes. One of the highlights was having Grade 8 students from Korobosea come and read to our Grade 2 students.

Parent Information Evening - Outcomes Based Curriculum

Thank you to the eight parents who attended the parent information evening on 29th July. It is disappointing that so few parents showed interest in learning about the curriculum used in IEA schools and throughout many schools in the world. On the other hand, the time of the meeting (6 p.m. on a Wednesday) may not have suited you. I would be interested in hearing from you as to what time would suit you best for such meetings.

Late Pick Ups

I am aware that some parents find it difficult collecting their children at our finish time of 2:15 p.m. However, some children are not being collected until as late as 5:15. This is a very long time for little children to be left sitting waiting to be collected and sometimes the children get very upset. We do offer a bus service and I suggest that if you are unable to collect your child on time that you arrange to have them dropped off by bus.

School Reviews

I will be away in Lae and Mt Hagen during Weeks 5 and 6 carrying out IEA school reviews. Ms Naime will be available to deal with any issues during my absence.

Prep Exhibition

I would like to congratulate the Prep teachers and students for the wonderful exhibition they held to share with parents what they had learnt about plants. This event was very well supported by parents and it was lovely to see our students showing how knowledgeable they have become from learning about plants.
