Free Hearing and Vision Testing

A separate letter was sent home regarding the offer by Ela Medical Centre to test our children for vision and hearing free of charge. They will bring their caravan on Tuesday 24th November and Thursday 26th November to carry out testing of those children who have permission to be tested. They will notify parents if their child is found to have a hearing or vision defect.

If you have not yet returned your permission form and want your child to be tested, please return it by Monday.

Grade 2 Graduation

The Grade 2 Graduation Ceremony will take place on Friday 4th December at 8:30 a.m. Invitations have been sent out to parents of Grade 2 students. If you have not yet received your invitation, please check with your child or enquire at the school office.

Used Toys

The Interact Club from Port Moresby International School is running an appeal to collect toys and books that children have grown out of or no longer use. These items will be given to less fortunate children for Christmas. If you have any such toys or books lying around at home, then please send them along and leave them in the box at our school office. If the gift is wrapped, please write on the outside of the package, whether the gift is for a boy or girl and what age it is suitable for.
